

G

## What do you think?

Which of the dotted lines are lines of symmetry? How do you know?

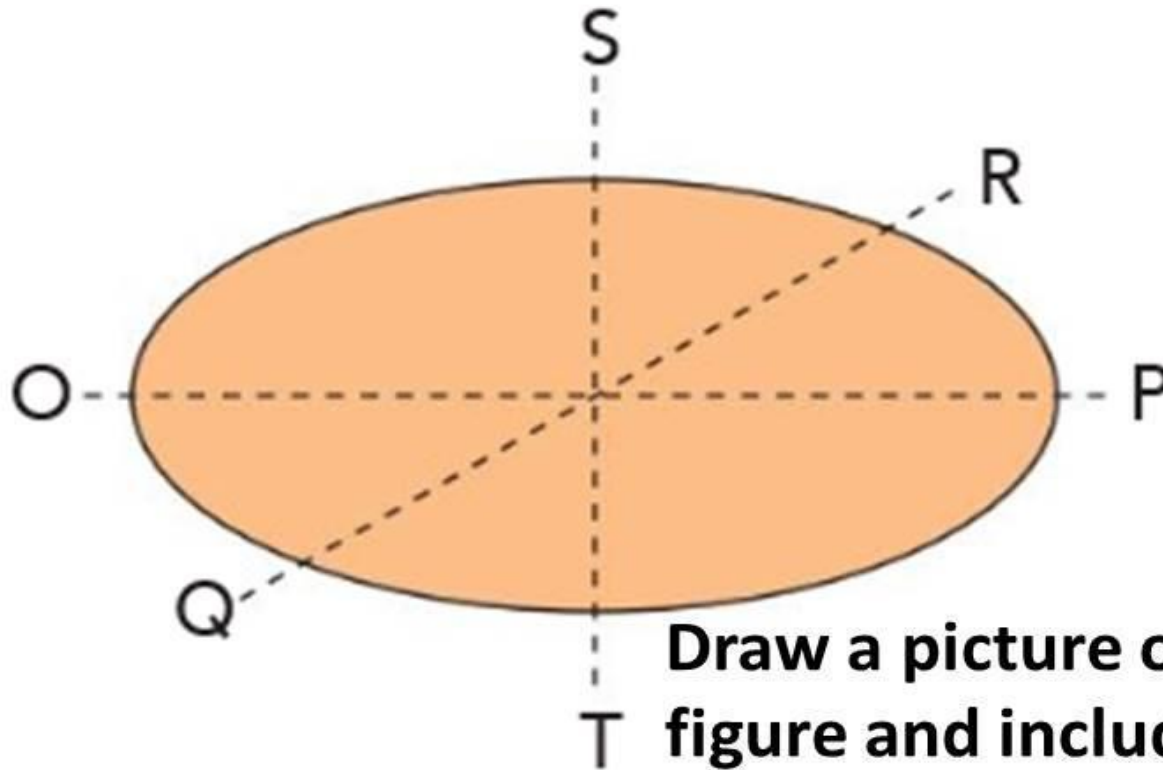

**Draw a picture of the figure and include the line of symmetry.**

You can do the drawing on a separate sheet.

G

## What do you think?

Which of the dotted lines are lines of symmetry? How do you know?

You can do the drawing on a separate sheet.

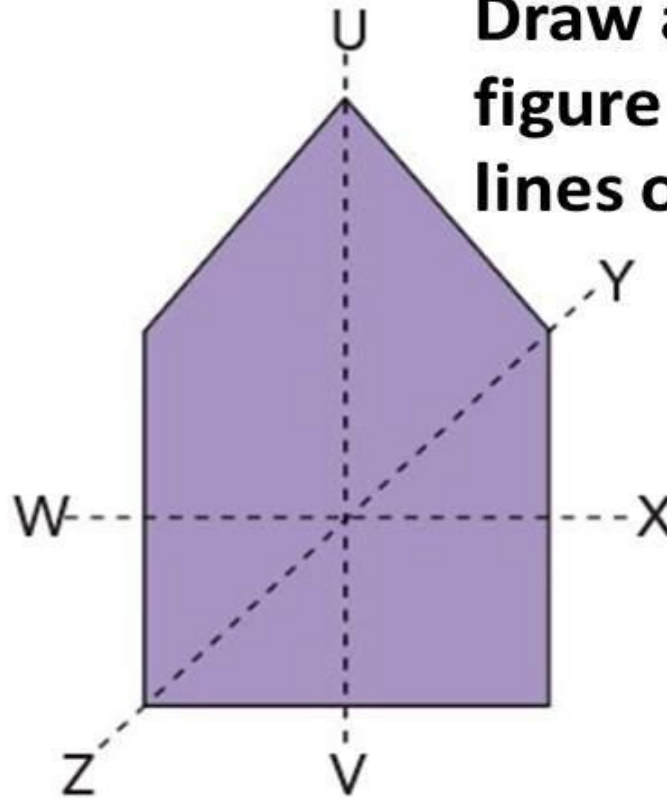

**Draw a picture of the figure and include any lines of symmetry.**
